Ingredients

__ 10 oz of Dark Chocolate Candy Melts
__ 3/4 of a cup (or more to taste) of Crushed
Mini Pretzels
__ 1/2 tsp of Sea Salt

1) Melt the chocolate either on a double boiler or in a microwave, then spread it in a thin layer on a parchment paper lined baking sheet, sprinkle over the pretzels and salt and allow it to set in the fridge for about an hour.

2) Break into pieces and serve. I store mine in a covered jar in a cool place like my pantry cabinet.
