Serves 4 Large Portions or 8 smaller portions

Prep Time: 15 minutes

Cook Time: 0 minutes

Ingredients

__ 2 cups Homemade or Store Bought Vanilla Pudding

__ A Couple Handfuls of Digestive Biscuits or Graham Crackers

__ ¼ cup of Sweetened Condensed Milk

__ 1 Cup of Heavy Whipping Cream, whipped to stiff peaks

__ 2 Large Bananas, peeled and cut into quarter size coins

__ Chocolate Shavings

1) Place the cookies in a large resealable plastic bag, using a rolling pin bash them until they are crumbled (much easier to do it this way than in a bowl and your fingers).

2) Divide your crushed up cookies evenly between your serving cups (you can make this recipe in a 9x9 baking dish if you like).

3) Add the condensed milk and bananas to your vanilla pudding and mix everything together.

4) Divide the mixture evenly in your serving dish.

5) Top with a spoonful of whipped cream and chocolate shavings.
