Makes 4 S'mores

Prep Time: 5 minutes

Cook Time: 2 minutes

Ingredients

__ 8 Whole Graham Crackers, cut in half

__ 4 Tbsp Nutella

__ 4 Marshmallows

1) Spread your Nutella on one side of the each of the four of the pieces of graham cracker that you cut in half.

2) Place the remaining 4 pieces of graham crackers on a baking sheet, topping each one of them with a marshmallow.

3) Pop them under a broiler for about a minute or until they have puffed up and are golden brown on the top. (Keep an eye on them because this will happen in seconds)

4) Place your Nutella covered graham crackers (Nutella side down) on top of the marshmallow and enjoy right away!
